Dear Mr. Skolnick:

Please allow me to thank you very much for the documents you were kind enough to send in response to my letter of July 6. I have added these to my file.

I am sure that you must be a very busy man, but I was sincerely hoping you could find the time to help me complete my file with various papers I do not now have. Such are copies of the papers filed by the government in response to your suit (not that I would accept at face value any assurances or excuses they might dream up).

I am also interested in obtaining the original press release for the suit. As I said in my last letter, the good press coverage you were able to obtain was just amazing. I'm sure the press release must contain that "Know-how" I so much need and would like to study.

So, if you could possibly find the time, I would very much appreciate copies of the original press release and any papers filed in response to the suit by the government.

Again, many thanks for all your kind efforts.

Sincerely,

Howard Roffman
